

It's the ...
"Planetary Quick-pick!"

South Louisiana's best New Rock radio station brings its citizens the best, progressively advancing contest every Monday through Friday morning!! It's the "Planetary Quick-pick"!! Every weekday morning, Tard asks 5 listeners to pick a number between 0 and 96. For every day that the number is not guessed, he'll add another prize to the prize pack... cd's, concert tickets, t-shirts, anything he can find floating around is fair game to be thrown in the prize pack!! And the prize pack has grown to 90 prizes on more than one occasion. Each day, we post the guessed number's on planet105.com, so, one trip to PLANET RADIO's website is all it takes to find out what numbers are still out there!!
